

# Michael Garlin

Motivational Speaker & Workshop Leader

## “Life Changing Seminar”

Can you remember the last speaker or workshop that actually helped you change your life? Are you ready to stop making excuses as to why you can't and you are ready to walk away with real goals with actual steps. If you don't have what you want, you aren't 100% committed to it.

---

This Motivational & Life Changing Workshop will focus on **Six** Fundamental Areas for YOU to start MOVING FORWARD IN YOUR LIFE!

- This workshop will help you develop goals with actual action steps that come to life.
  - You will learn what desire & persistence really mean as they relate to your success or failure.
  - You will start developing an understanding of the major attributes of true leadership and what it can mean in your life.
  - You will finally conquer your procrastination by implementing newly learned decisive decision making techniques.
  - You will develop top-notch leadership skills that will get you out of the box and get you interacting with people for success.
  - You will experience 1 hour of real networking! (and you thought you already knew how to network- peeshaw)
- 

**“If you stick your head in the sand,  
one thing is for sure, you'll get your rear kicked.”**

Start to imagine your success. This workshop will be an eye opening experience.
